

Special Needs Questionnaire

**Battery Park City residents,
help us to help you!**

Your Battery Park City Community Emergency Response Team (BPC CERT) is a FEMA trained and certified group of over 100 Battery Park City residents who are committed to the emergency preparedness of our community. In the event of a local emergency or disastrous threat to our community, your BPC CERT is trained to assist with evacuation and emergency procedures.

If you need special assistance in the event of a local emergency, please complete this questionnaire. This information is **VOLUNTARY** and **CONFIDENTIAL**. It will be added to our Special Needs Registry **FOR EMERGENCY USE ONLY**.

EMERGENCY REMINDERS

- **Do not double lock your apartment door.** Management's master key system only works for locks that the building provides.
- **Make sure you have at least one wired (not cordless) telephone in your apartment.** These are more reliable during power failures.
- **Put together a "Go Bag" of items needed for your family's survival** in the event evacuation is required. Your BPC CERT has "Go Bags" for singles, families and pets at special discount prices. For more information, write to **BPCCERT@aol.com**.
